Dear Ognjen,

Congratulations on successfully completing all requirements of the Rutgers Data Science Bootcamp. Your certificate of completion is enclosed.

You should take pride in meeting the demands of this intensive and immersive educational experience. The Bootcamp requires participants to maintain an unwaveringly rapid pace, and this certificate documents your success in resolving coding challenges – both as an individual and as a member of project-based teams.

At the end of your career, we hope you will look back with justifiable pride at this accomplishment. This certificate will remain an enduring symbol of your strength and resilience, and it affirms your ability to surmount steep challenges through hard work and creative problem solving.

Code long and prosper!

Sincerely,

James R. Morris
